A PLACE THAT WORKS FOR YOU

We are a boutique style workspace right in the centre of Manchester's business district, with a concierge service and office space like no other in the city. We'll take care of your guests, your post and anything else we can do to support you, we'll even make sure the free cappuccinos never run out, leaving you to focus on the important stuff.

Because Workplace is much more than a place to work.

From hot desks to private offices, meeting rooms and the business lounge, there's a membership that works for you, and every one includes a whole load of perks.

- Super fast WiFi
- Use of the business lounge and kitchen
- Unlimited refreshments
- Concierge service
- Discounted meeting room hire
- Invites to networking and business support events
- Park all day deals for just £5.50

A message from the creators:

Jane, Louise & Adrian

"Having worked together in the hotel industry for many years, customer service is second nature to us, but when it comes to office hire, you just don't get the same experience. So we stepped up, hoping to change the way people work from a desk to a lifestyle."
